Professional Experience

06/2019 – Present: **Rutland Regional Medical Center: Rutland, VT – Full time NM/CT Technologist**

I deliver exceptional patient care in both a hospital and outpatient cardiac center. I perform bone scans, thyroid uptake and scans, DAT scans, HIDA scans, one and two day myocardial perfusion imaging, GI bleeds, and ventilation and perfusion scans. Currently working on a GE NM/CT 870, Discovery NM530C, and a GE Revolution CT scanner. In CT, administer weight based omnipaque contrast media, perform CTA studies, multi-phase studies, and create MIP and volume rendered images using AW software

01/2019 – 04/2019: **AdventHealth: Ocala, FL - Student**

Performed daily floods on the department's three cameras, prepared and administered radiopharmaceuticals, started IVs, performed lymphoscintigraphies, ventilation and perfusion scans, parathyroid scans, and white blood cell scans.

11/2018 – 12/2018: **UF Health Shands: Gainesville, FL – Student**

Obtained patient histories, performed daily floods on a GE Discovery, Sieman's Orbiter, and a Digirad. Performed renal scans, gastric emptying scans, DAT scans, and myocardial perfusion imaging.

08/2018 – 12/2018: **Shands Plaza Outpatient Center: Gainesville, FL - Student**

Completed floods on a daily basis on an ADAC forte and a Sieman's Orbiter. Competent on their PET/CT camera. Performed hepatobiliary scans, ventilation and perfusion scans, bone scans, and renal scans.

07/2018 – 08/2018: **West Marion Community Hospital: Ocala, FL - Student**

Performed scans on a GE Discovery camera, started IVs, completed bone scans, parathyroid scans, and myocardial perfusion imaging.

05/2018 – 07/2018: **Ocala Regional Medical Center: Ocala, FL - Student**

Completed cardiac studies and administered stress agents. Finished daily floods on their GE Discovery cameras and Star Cam. Performed white blood cell scans, gallium scans, placed 12-lead EKGs, obtained patient's vital signs, and did MUGA scans.

Education

Currently enrolled: Champlain College

*Bachelor of Science in Health Care Administration

05/2019: Santa Fe College: Gainesville, FL

*Associate of Science Degree in Nuclear Medicine Technology

05/2014: Santa Fe College: Gainesville, FL

*Associate of Science Degree in Zoo Animal Technology

Certifications

ARRT (N) (CT) and NMTCB

CPR - BLS Certified (8/2022)

HIV/AIDS Class Completion (05/2017)

Extracurricular Involvement

RRMC Diversity, Equity, and Inclusion Committee Member

Superuser of translation ipads at RRMC

Vice President of 2019 NMT class

Presenter at 2019 Florida Nuclear Medicine Technologist (FNMT) meeting

Member of Society of Nuclear Medicine and Molecular Imaging
